

<p><b>Weekly- Compulsory</b> Practise your weekly spelling words. Select an activity from your 'Let's have fun' spelling booklet and complete in your homework jotter.</p> 	<p><b>Weekly- Compulsory</b> Read a book of your choice at home for enjoyment.</p> <ul style="list-style-type: none"> <li>• Read a non-fiction book</li> <li>• Read to a cuddly toy/pet</li> <li>• Make a den and read your book inside</li> </ul>	<p><b>Weekly- Compulsory</b> Practise mental maths skills using your basic facts bookmark in your homework jotter.</p> 	<p><b>Weekly- Compulsory</b> Play outdoors with friends and family.</p> 
<p>What effect does an oil spillage have on the marine environment? Find out about the effects and describe them in detail. Suggest ways of preventing oil spillages and how you would help affected areas. E.g. A newsletter, leaflet or poster.</p>	<p>Choose 3 seas and/or oceans and write 5 facts about each. E.g. How deep, big, what creatures live there. Etc.</p> 	<p>Draw or paint a rough or calm seascape. You could use water colours or try a different style of painting.</p> <p>E.g. Pointillism. Try to consider the colours you might use.</p>	<p>Use an atlas and write a list of all the seas and oceans. How many can you find?</p> 
<p>Make a 3D landscape model of a coral reef. It must include at least 4 features found on a reef. E.g. There are sponges, sea slugs, crabs, starfish, sea urchins, jellyfish, coral, sea turtles, and many species of fish.</p> <p>Think of the reef as the "rainforest of the ocean."</p>	<p>Find out about the work of the RNLI and how they help to protect the people that live around and use the seas in Scotland. Write a paragraph about the work they do.</p> 	<p>Create an informative poster teaching people how to be safe and responsible at the beach.</p> <p>What warning should people be aware of? E.g. Flags, lifeguards, using inflatables etc. leave no trace.</p>	<p>Bake and decorate some ocean themed treats. E.g. biscuits, cupcakes. How might you decorate them? Write out the recipe and evaluate what you have made. What did you think of them? What did your family think of them?</p> 
<p>Create your own musical instrument that makes the sound of the sea. What materials will you use? Could you use materials from the beach to create the sound? How could you decorate your instrument so it has a seaside theme?</p>	<p>Visit the library, fish counter in a supermarket or a local fish mongers. Find out about one type of fish. Write a paragraph about it and draw a picture.</p>  <p>Research the fishing industry in Scotland.</p>	<p>Work with a friend to research, design and make a model of a submarine that would take you to the bottom of the ocean. How will you make it sink and float? Bring in your model or a photo of it and your design.</p>	<p>Produce a fact file (this could be a PowerPoint) on 3 different endangered marine animals or fish.</p> 

The top row of activities are compulsory and must be completed every week. Please complete one other activity each week and record the date in the box when the activity is completed. It is not essential to complete all activities. Children will have the opportunity to share their homework activity in class each Friday.
